Most Memorable Moment With Guests

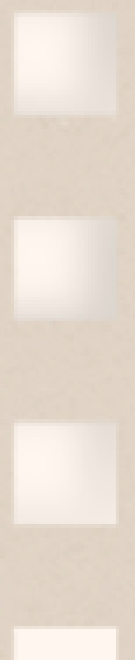

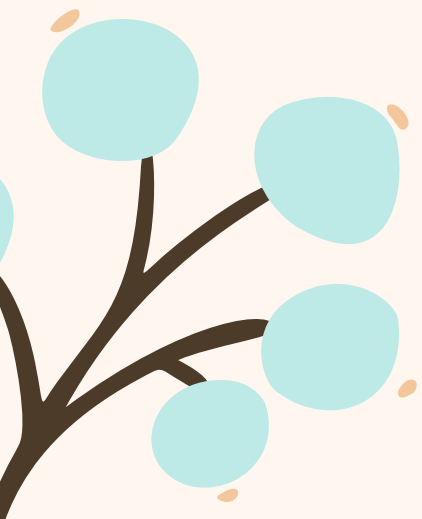

Engage Your DJ

Create a script/prompt for your DJ/Entertainment Provider to announce times and/or photo challenges to encourage guests to take and share photos

Engage Your Guests

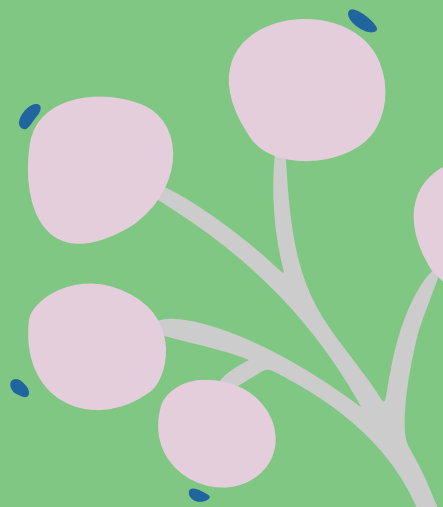

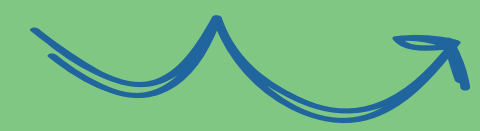

Use a photo prompt to pass between guests and ask that all the guests be sure to photograph and post with the prompt.

Never Miss Memorable Moments

Use LiveView plug and play service, and position screens throughout your cocktail & reception areas. Included with our Premium Plus Service, LiveView encourages participation with real-time photo & caption streaming.

Post-Wedding Ideas

to capture the post event photos of your wedding journey

Ideas to Capture Photos Post-Event & Post-Event Photos

Include your LSN Event QR Code & URL on your THANK YOU cards.
Remind guests to revisit and reminisce on your special day
and share any of their photos they find the most joyful.

Send emails to guests letting them know that you've posted photos from gift-opening, and encourage them to engage with their own photos or comments.

Share your LSN Event QR Code & URL on your Social Media with your Professional Wedding Photography, encouraging others, once again to share.
